Address: Rua Dr. Adriano Magalhães nº123  
4580-352 Paredes

## Education

---

Master in Informatics and Computing  
Engineering

2012 — July de 2017

Faculdade de Engenharia da Universidade do Porto

GPA: 14 of 20.

## Qualifications

---

Programming languages knowledge:

- Java
- C/C++
- C#
- JavaScript.
- SQL
- SPARQL

Knowledge of technologies and frameworks:

- .NET Communication Foundation
- .NET Remoting
- Entity Framework
- Node.js
- Angularjs
- SOAP
- Universal Windows Platform applications

Integrated Development Environment :

- Eclipse.
- Visual Studio.
- IntelliJ Idea.
- Android Studio.

Operating Systems:

- Microsoft Windows
- Linux (Ubuntu/Debian)
- Android

#### Certificates

- Become an Android Developer From Scratch - Android Development Introduction course
  - <https://www.udemy.com/certificate/UC-XJFQNXXC/>

#### Technical skills and competences developed during the training so far:

- Development of small and medium sized software development projects, including specification, design and implementation.
- Server-Client applications implementation
- Windows and Linux applications development
- Android app development
- UWP app development
- GIT version control
- Some knowledge in Agile methodologies (SCRUM)

#### Projects:

- <http://www.baselinematosinhos.com/>
- GitHub: <https://github.com/danmendonca>
- Bitbucket: <https://bitbucket.org/dasmendonca/>
- LinkedIn: <https://www.linkedin.com/in/mendoncadaniel>

## Capabilities and Personal Skills

---

#### Native Language:

- Portuguese.

#### Other languages:

- English
  - Oral comprehension: C1 - Proeficient User
  - Reading : C1 - Proeficient User
  - Spoken Interaction: C1 - Proeficient User
  - Spoken Production: B2 - Independent User
  - Writting: C1 - Proeficient User

#### Social skills and competences:

- Work and team spirit
- Ability to adapt to new cultures
- Good written and oral communication

# Interests

---

Development and technological:

- Android and UWP apps development
- Webservices and API's.
- Software Engineering.
- Information Systems
- Computer Vision

Other:

- Programing competitions
- Watch Formula 1 and motorsport in general
- Cars
- Football
- Karting
- Health topics
- European culture
- Cinema and music

Programming competition participations:

- Porto Summer of Code (2015)
- Techathon - Deloitte Digital (2016)
